WHAT IS FOUND IN A SCHOOL / CAMPUS / TECHNIFICATION PROGRAM?

In line with the identity, values and game model of the club, the player will undertake a set of training drills based on their own abilities, using the teaching-learning process developed for RCD Espanyol's formative football levels:

- Getting to know the player
- Respecting their virtues
- Stimulating their abilities
- Collaborate with the players who are helping with their training
- Technification for outfield players and goalkeepers
